**AFFIDAVIT IN SUPPORT OF A CRIMINAL COMPLAINT**

I, Laura R. Calvillo, a Special Agent of the Federal Bureau of Investigation, being duly sworn, depose and state:

**INTRODUCTION AND AGENT BACKGROUND**

1. I have been a Special Agent with the Federal Bureau of Investigation ("FBI") since March of 2016. I am currently assigned to the Washington Field Office, Northern Virginia Resident Agency. Prior to joining the FBI, I was a Special Agent for the U.S. Army Criminal Investigation Division, and assigned to investigate violations of federal law to include violations involving child pornography and the sexual exploitation of children. Currently, as an FBI Special Agent, I investigate federal violations concerning kidnapping, child pornography, the sexual exploitation of children, human trafficking, and related offenses. I have gained experience through training and work related to conducting these types of investigations.

2. This Affidavit is made in support of a criminal complaint and arrest warrant charging DREW IMPARATO ("IMPARATO") with knowingly traveling in interstate commerce with the intent to engage in illicit sexual conduct, specifically oral and anal sex with a purported 13 year old child, in violation of 18 U.S.C. § 2423(b).

3. The information in this Affidavit is based on my investigation, training, knowledge, and experience, and through information that has been related to me through data, reports and other officers or agents involved in this investigation and related subject area.

4. This Affidavit contains information necessary to support probable cause that IMPARATO committed the charged offense. It is not intended to include each and every fact and matter observed by me, other law enforcement officers, or known to the government. Additionally, unless otherwise noted, wherever in this Affidavit I assert that a statement was made by an individual, that statement is described in substance and in part, and is not intended to be a verbatim recitation of the entire statement.

#### **RELEVANT FEDERAL CRIMINAL STATUTES**

For purposes of this Affidavit, “visual depiction[s] of minors engaging in sexually explicit conduct,” will be referred to as “child pornography.”

### **SUMMARY OF PROBABLE CAUSE**

9. In February 2019, a joint investigation initiated by the Arlington County Police Department (“ACPD”) and the FBI revealed that IMPARATO was involved in numerous online activities relating to child pornography and that IMPARATO had traveled from Virginia to Maryland to engage in sexual activity with a minor.

10. Specifically, on February 13, 2019, Marymount University Campus Security (“MUCS”) reported that two Marymount University students discovered a flash drive on the ground in the stairwell of Berg Hall, a dormitory at Marymount University. The two students, hereinafter referred to as Cooperating Witness 1 (“CW 1”) and Cooperating Witness 2 (“CW 2”), took the flash drive to their dormitory room in Berg Hall and plugged it into a computer in an attempt to identify the owner of the flash drive. When CW 1 and CW 2 looked at the files on the flash drive, they found multiple videos and images of what they believed was child pornography.

11. CW 1 and CW 2 took the flash drive to MUCS and described what they found on the flash drive. MUCS took possession of the flash drive but did not attempt to view the contents. MUCS then notified ACPD of the flash drive containing suspected child pornography. An ACPD officer responded to Marymount University and collected the flash drive, a black SanDisk Cruzer USB flash drive, 65 GB, to be entered into evidence at ACPD.

12. CW 1 provided a written statement to law enforcement stating that CW 1 plugged the flash drive into CW 1's computer and saw child pornography.

13. CW 2 provided a written statement to law enforcement stating that CW 2 viewed the contents on the flash drive and that it had "graphic content of underage children." Additionally, CW 2's statement explained that CW 2 and others had a conversation with IMPARATO in which IMPARATO was asked if the flash drive belonged to him. CW 2's statement reports that IMPARATO initially denied being the owner of the flash drive during this conversation, but then made a statement confirming that the flash drive belonged to him. IMPARATO informed CW 2 and others present that he had been searching for the flash drive and that he was scared about losing the flash drive. According to CW 2's statement, IMPARATO also told CW 2 and others that the images and videos on the flash drive were not for his viewing and that he was selling the content to make money.

14. A few of the other individuals present for the above-described conversation with IMPARATO also provided written statements to law enforcement. Cooperating Witness 3 ("CW 3") provided a written statement to law enforcement stating that CW 3 was present when IMPARATO said the flash drive belonged to him and that IMPARATO asked the group not to tell anyone. Cooperating Witness 4 ("CW 4") provided a written statement to law enforcement stating that CW 4 heard IMPARATO admit that he owned the flash drive. Cooperating Witness 5 ("CW 5") provided a written statement to law enforcement stating that CW 5 heard IMPARATO acknowledge that the flash drive belonged to him. CW 5's statement also reports that, after this conversation, IMPARATO sent a private message to CW 5 relating that IMPARATO was scared and that he thought he dropped the flash drive in the subway. According to CW 5, during another in-person conversation, IMPARATO insisted to CW 5 that he was not a creep and that he just

needed the money. CW 5's written statement also alleges that IMPARATO was worried the flash drive would be traced back to him, and that IMPARATO wiped a black external hard drive that contained more child-pornography-related content. Cooperating Witness 6 ("CW 6") provided a written statement to law enforcement stating that CW 6 was present when IMPARATO confessed that the flash drive belonged to him. According to CW 6's statement, IMPARATO related that he found the child pornography files on the dark web and was intending to distribute the material. After the cooperating witnesses had this encounter with IMPARATO, MUCS was notified of IMPARATO's statements.

15. On February 14, 2019, ACPD responded to Marymount University after receiving a report that an individual was threatening to commit suicide. MUCS advised a responding ACPD officer that IMPARATO was the individual threatening to commit suicide. MUCS also advised an ACPD officer that IMPARATO had texted a friend a picture of a pill bottle and a message about killing himself after he had admitted that the flash drive belonged to him.

16. An ACPD officer made contact with IMPARATO in his dormitory room in Berg Hall and asked IMPARATO why he was not feeling well. IMPARATO replied that he made a mistake and then elaborated that it was about a flash drive containing child pornography. The officer asked if the flash drive was the only device in which he kept child pornography, and IMPARATO described how he downloaded the child pornography onto his computer, transferred it to a flash drive, and then deleted the items from his computer. IMPARATO told the ACPD officer that he obtained the child pornography through a specific site on the dark web. IMPARATO also stated that he sometimes purchased the child pornography and that other times he downloaded it for free. IMPARATO told the ACPD officer that it was obvious that the individuals depicted in the child pornography were underage.

17. On February 14, 2019, ACPD obtained a warrant to search IMPARATO's dormitory room, where he lived by himself. The search warrant authorized the seizure of electronic devices. The following items were seized:

- a. A Silver MacBook Pro, Model A1706, S/N: C02WK5A5HV2L;
- b. A My Passport, Western Digital external hard drive, S/N: WXM1EC74Y027;
- c. A Silver SanDisk flash drive, 128 GB, SDDDC2; and
- d. A Black Apple iPhone, Model A1901, S/N: G6TW1L8VJCL8

18. On February 28, 2019, IMPARATO voluntarily appeared at the ACPD's office with an attorney and agreed to be interviewed with his attorney present in the interview room. During the interview, IMPARATO admitted to downloading and viewing child pornography from the dark web, receiving and distributing child pornography via Kik, and purchasing child pornography from a user on Kik.<sup>1</sup> IMPARATO also admitted to traveling from the Ballston Washington Metro station in Virginia to the Landover Washington Metro station in Maryland and then engaging in anal and oral sex with a purported thirteen-year-old male<sup>2</sup> ("MINOR VICTIM 1") in Maryland who he had met on Kik.

19. On February 28, 2019, MINOR VICTIM 1 was forensically interviewed. MINOR VICTIM 1 told the interviewer that a man he met on Kik came to see him at his residence in Landover, Maryland. MINOR VICTIM 1 reported that he had to meet the man outside because he was late arriving to his home and MINOR VICTIM 1's adult cousin had come home to watch

---

<sup>1</sup> "Kik" refers to Kik messenger, a free mobile application that permits users to send text messages and other content, including videos and images. Kik also allows members to create groups that allow users to communicate as a group and send pictures and videos.

<sup>2</sup> MINOR VICTIM 1 has been identified and though he told IMPARATO that he was 13, MINOR VICTIM 1 was actually 12 years old at the time of the offense.

MINOR VICTIM 1. During the forensic interview, MINOR VICTIM 1 did not want to discuss anything that occurred after MINOR VICTIM 1 met the man outside. When shown a picture of IMPARATO during the interview, MINOR VICTIM 1 identified him as the man that traveled to MINOR VICTIM 1's home in Maryland.

**FORENSIC ANALYSIS OF DEVICES SEIZED FROM IMPARATO**

20. A forensic review of the devices provided additional relevant information that corroborated IMPARATO's accounts of downloading and viewing child pornography, receiving and distributing child pornography, and traveling in interstate commerce to meet MINOR VICTIM 1 for anal and oral sex.

21. A review of the Apple iPhone belonging to IMPARATO revealed a Kik conversation between IMPARATO and MINOR VICTIM 1. IMPARATO's Kik user name was "drew1519" with a display name of "Drew I". The Kik conversation between IMPARATO and MINOR VICTIM 1 was initiated October 24, 2018. The initiation of the conversation is detailed below:

The prepubescent girl performed oral sex on the boy, and eventually the boy's penis penetrated the girl's vagina. At approximately 7:50 [mm:ss] into the video, a second nude prepubescent female entered the view of the camera and initiated oral sex on the boy, and eventually the boy's penis penetrated the second girl's vagina. At approximately 12 :23 [mm:ss] into the video, a third nude prepubescent female entered the view of the camera and initiated oral sex on the boy. The nude prepubescent girls took turns performing sex acts on the boy and with each other.
